Sara is a brilliant doctor who has just started her residency at a prestigious hospital. She is eager to learn and make a difference in the world. However, her life is turned upside down when she is called to the scene of a horrific accident. The victim is a young woman who has been brutally murdered.

Sara is shocked by the violence of the crime, but she is also intrigued. She can't help but wonder what could have driven someone to commit such a heinous act. As she investigates the case, she uncovers a web of secrets and lies. She learns that the victim was involved in a dangerous game, and that her murder was just one piece of a larger puzzle.

Sara is now in danger herself. The killer is determined to silence her, and they will stop at nothing to get to her. Sara must race against time to find the killer before they strike again. She must also find a way to protect herself and the people she loves.

Barely Alive is a fast-paced and suspenseful medical thriller that will keep you on the edge of your seat from beginning to end. Sara Linton is a complex and compelling character, and her journey is both thrilling and terrifying. If you are a fan of medical thrillers, then you will not want to miss Barely Alive.
