The book is divided into three sections, each of which focuses on one of the three values. Each section includes stories, activities, and discussion questions that will help your child to learn about the value and to apply it to their own lives.

The first section, on forgiveness, helps children to understand what forgiveness is and why it is important. The stories and activities in this section will help your child to learn how to forgive others, even when it is

difficult. The section's discussion questions will aid your child in comprehending their own feelings and those of others, and in putting themselves in others' shoes.

The second section, on kindness, helps children to understand what kindness is and why it is important. The stories and activities in this section will help your child to learn how to be kind to others, even when it is not easy. The section's discussion questions will help your child in developing empathy toward others and in learning that being nice is more important than being right.

The third section, on purposefulness, helps children to understand what purposefulness is and why it is important. The stories and activities in this section will help your child to learn how to find their purpose in life and to live a life that is meaningful to them. The section's discussion questions will help your child think about their goals and aspirations, and in learning how to set attainable goals.

Children About Forgiveness, Kindness, And Purposefulness is a valuable resource for parents and educators who want to help children to develop these important values. The book is written in a clear and engaging style, and it is filled with stories, activities, and discussion questions that will help children to learn about these values and to put them into practice in their own lives.
