Reviews

"This festschrift is a fitting tribute to one of the most distinguished scholars of German literature and culture of our time. The essays are all of the highest quality, and they cover a wide range of topics, from medieval literature to contemporary film. This volume is a must-read for anyone interested in German studies."

- Walter Bernhardt, University of California, Los Angeles

"This festschrift is a wonderful collection of essays in honor of Guenter Toerner, one of the most influential scholars of German literature and culture in the world. The essays are all written by leading scholars in the field, and they offer a wide range of perspectives on Toerner's work. This volume is a valuable contribution to the field of German studies, and it is a fitting tribute to a great scholar."

- Ritchie Robertson, University of Oxford
