The Code of Criminal Procedure (CrPC) is a comprehensive statute that governs the investigation, prosecution, and trial of criminal offenses in India. Enacted in 1973, the CrPC has undergone several amendments over the years to adapt to the evolving needs of the criminal justice system. Bakhtiyar Sakupov's book, "Code of Criminal Procedure India," provides a comprehensive analysis of the CrPC, offering invaluable insights into its provisions, interpretations, and case laws.

Structure of the Book

Sakupov's book is divided into 31 chapters, each covering a specific aspect of the CrPC. The book begins with an overview of the CrPC's history, objectives, and principles. It then delves into the various stages of a criminal case, from investigation to trial and appeal.

Each chapter provides a detailed examination of the relevant provisions of the CrPC, supported by case laws and judicial interpretations. Sakupov presents the material in a clear and concise manner, making it accessible to both legal professionals and laypeople.

Key Features of the Book

Comprehensive Coverage: The book covers all aspects of the CrPC, including the roles and responsibilities of police officers, prosecutors, defense attorneys, and judges. It also discusses special procedures for juvenile offenders and offenses against women.

In-Depth Analysis: Sakupov provides a thorough analysis of the CrPC, explaining the rationale behind each provision and discussing its practical implications. He also highlights areas of ambiguity and provides guidance on how to interpret them.

Case Law References: The book is extensively referenced with case laws from the Supreme Court of India and various High Courts. This provides readers with a solid understanding of how the CrPC has been interpreted and applied in practice.
