Are you tired of the constant power struggles and tantrums that come with parenting? Do you wish you had a better understanding of why your children behave the way they do? If so, then The Game Theorist's Guide to Parenting is the book for you.

In this groundbreaking book, Dr. Kevin Zollman introduces parents to the fascinating world of game theory. Game theory is a branch of mathematics that studies how people make decisions in situations where there is more than one player and each player's decision affects the outcome for all players.

Dr. Zollman shows parents how to use game theory to understand their children's behavior and develop strategies for guiding their behavior in a positive way. He explains how to:

- Identify the different types of games that children play
- Predict how children will behave in different situations
- Develop strategies for cooperating with children
- Resolve conflicts peacefully
- Foster children's independence

The Game Theorist's Guide to Parenting is a must-read for any parent who wants to raise happy, independent children. Dr. Zollman's insights will help you to understand your children better, build a strong relationship with them, and create a more peaceful and harmonious home.

About the Author

Dr. Kevin Zollman is a professor of economics at Pomona College. He is the author of several books on game theory, including The Game Theorist's Guide to the Galaxy. Dr. Zollman is a sought-after speaker on game theory and its applications to parenting, business, and other fields.

Reviews

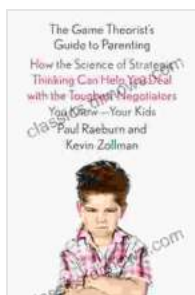

"The Game Theorist's Guide to Parenting is a groundbreaking book that will change the way you think about parenting. Dr. Zollman's insights are brilliant and his writing is clear and engaging. This book is a must-read for any parent who wants to raise happy, independent children." - **Dr. Jane Nelsen, author of Positive Discipline**

"The Game Theorist's Guide to Parenting is a fascinating and practical guide to using game theory to understand and guide your children's behavior. Dr. Zollman's insights are invaluable and his writing is both clear and engaging. This book is a must-read for any parent who wants to raise happy, successful children." - **Dr. Alfie Kohn, author of Punished by Rewards**
