* All of Marquis's original Archy and Mehitabel stories, from the first typewriter-tap in 1916 to the final farewell in 1925 * In-depth annotations that provide context, clarify obscure references, and offer insights into Marquis's creative process * A comprehensive that explores the literary and cultural significance of Archy and Mehitabel * A captivating gallery of original drawings by George Herriman, the renowned creator of "Krazy Kat"

The Unforgettable Voices of Archy and Mehitabel

Archy, the loquacious cockroach, is a master of the typewriter, despite his six tiny legs. With his keys perpetually jammed, Archy's prose is an eccentric blend of lowercase candor and poetic flair. He is a self-proclaimed philosopher and dreamer, forever contemplating the human condition from his humble perch on the office floor.

Mehitabel, on the other hand, is a sassy and streetwise alley cat. A former showgirl with a penchant for the high life, Mehitabel has a wicked sense of humor and a knack for getting into (and out of) trouble. Together, Archy and Mehitabel form an unlikely but enduring bond, sharing their unique perspectives on life, love, and the pursuit of happiness.

Don Marquis: A Literary Satirist with a Heart of Gold

Don Marquis was a prolific American writer who made his mark as a humorist, journalist, and poet. His satirical writing often targeted human folly and societal hypocrisy, but it was always tempered with a profound compassion for the human condition.

Marquis's creation of Archy and Mehitabel was a stroke of genius. These characters allowed him to explore his philosophical and social concerns in a humorous and accessible way. Through their adventures, Archy and Mehitabel question everything from the nature of existence to the complexities of human relationships.
