Chapter-by-Chapter Guide to Theatre-Making

"How Plays Are Made" is structured as a step-by-step guide, taking readers on a journey through the essential elements of theatre-making. Each chapter delves into a specific aspect of the process, providing practical advice and insights from the author's vast experience in the field.

Chapter 1: The Idea

The book begins by exploring the spark that ignites the creative process: the idea. Griffiths shares techniques for generating ideas, developing characters, and finding inspiration from real-world events and personal experiences.

Chapter 2: The Structure

Understanding the structure of a play is crucial for creating a well-paced and engaging narrative. This chapter delves into different types of play structures, including traditional three-act plays and more experimental forms.

Chapter 3: The Dialogue

Dialogue is the lifeblood of a play, conveying the thoughts, emotions, and relationships of the characters. Griffiths provides practical tips on writing effective dialogue, including techniques for capturing authentic voices and creating meaningful subtext.

Chapter 4: The Characters

Compelling characters are essential to any successful play. This chapter examines the process of creating believable and relatable characters, from their motivations and desires to their physical and psychological traits.

Chapter 5: The Setting

The setting of a play establishes the time and place of the action and influences the atmosphere and tone of the production. Griffiths discusses the importance of choosing a setting that enhances the story and provides opportunities for visual storytelling.

Chapter 6: The Theme

Every play explores a central theme or message. This chapter guides readers in identifying the themes that emerge from their work and finding ways to convey them subtly through the characters, plot, and dialogue.

Chapter 7: The Production

The final stage of the playmaking process involves bringing the play to life through production. Griffiths covers the essential elements of production, including casting, rehearsal, staging, and lighting, and provides practical advice on working with actors and crew.
